Sir:

RESPONSE

In response to the Restriction Requirement of October 7, 2005, applicants elect Group II and claims 25-28 for examination in this application.

Applicants reserve the right to file a divisional application on claim 24.

The Examiner did not mention new claims 31-39 submitted with the Preliminary Amendment of September 23, 2005.

It is presumed claims 31-33 will be examined with the elected group since they depend from claim 27 or 28.

It is also presumed claims 34-39 should be able to be examined with the elected group since they also appear to relate to the same subject matter as claim 25.

Examination of claims 25-28 and 31-39 is therefore requested. If the Examiner does not believe this is possible, then it would be appreciated if he would call the undersigned.

Please grant any extensions of time required to enter this response and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
